Dear Ms. Smith:

The Division of Oil, Gas and Mining has incorporated the replacement pages for your Notice of Intention to commence Small Mining Operations (SMO) which update the operator information.

The Division sent a letter April 30, 2013, requesting the reclamation surety, reclamation contract and cultural resources survey but has yet to receive these items. No mining related disturbance may be created until the surety is received and approved and you have received written acceptance from this office as well as other applicable agencies.

The reclamation surety can be submitted in one of several forms, including, an irrevocable letter of credit, a certificate of deposit, cash or a surety bond. Please contact Penny Berry at 801-538-5291 or by e mail at pennyberry@utah.gov for assistance in completing this requirement.

Thank you for your cooperation. Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have any questions regarding this letter. In reply, please refer to file number S/047/0113.

Sincerely,

Paul B. Baker
Minerals Program Manager
